CARED FOR WHILE LEADING

for pastors of the Brethren in Christ Great Lakes Conference

In this issue...

- Announcement: CFWL presents a new opportunity for pastoral connection outside our denomination.

PASTORS MEETING PASTORS

Beginning February 5th (6:00 CST/7:00 EST), we will have the opportunity to meet with pastors from other denominations for a time of fellowship on Zoom twice a month. The evening will begin with a short teaching/topic or story, followed by time for discussion. Come to build friendships, pray, learn, discuss hurdles, and share your heart and advice. We are committed to offering these times to meet until summer. I'll keep you posted on the upcoming dates. Click here to join:

When pastors meet regularly with other pastors, statistics show that:

- Burnout and failure decrease
- Family life is enhanced
- The likelihood of moral failure decreases
- Marriages are enriched
- Pressure is reduced
- Acceptance is attained
- Goals are more often realized
- Pastors feel less isolated
- Churches thrive better

And let us consider how we may
spur one another on toward love
and good deeds,

Hebrews 10:24
